### **STA Graduates Another Player to D1 Soccer**

April 7, 2011—Millburn, NJ

In what has clearly become a pattern, a third [STA Crush](#) U18G team member, Chandler Antczak, has announced her intention to play Division I soccer next year. Antczak has committed to Sacred Heart University in the fall where she will compete for the Pioneers in the NEC.

STA Crush Coach Rob Alman is confident that Chandler will be a great asset to the Pioneer's defense. "Chandler has been a very consistent performer with STA over the past couple of seasons. She is a quietly confident player who is very diligent in both practice and game situations. She is technically comfortable with both feet and is a versatile player who has excelled in wide defense and wide midfield." Alman also added, "her hard work and commitment to developing her game has resulted in a great opportunity at Sacred Heart and will give Chandler a great competitive environment in which I'm sure she will excel."

Completing her senior year at South Brunswick High School, Antczak had a distinguished high school career which culminated in a 15-3-4 season last year and selection for NJGSCA All-State honors. The team allowed only eight goals all season.

Antczak also played for the [Millburn Magic](#) U20s last summer, and will again be involved in the Magic program this coming season. With home games starting in mid-May, some U20 roster spots still exist, and interested places should contact Head Coach [Sean Kiernan](#) for more information.

"Each training session with Coach Rob Alman and Dean Slaughter taught me something new. I have improved as a player since I joined because of their attention to technical training. Also, playing on the Magic U20 team and training with the WPSL Magic under Andy and Sean has been a great experience as well. I've improved my speed of play tremendously as a result of playing with college athletes. Overall, I am so glad that I joined STA. Every coach and player has helped me along my journey playing the game that I love and I wouldn't be where I am today without them."

[STA](#) and [Millburn Magic](#) are part of the [New Jersey Soccer Group](#), a management company for a family of soccer based organizations offering a full range of soccer services in New Jersey.
